“FlexIT enabled me to get the kit I needed now; rather than tie up crucial working capital”

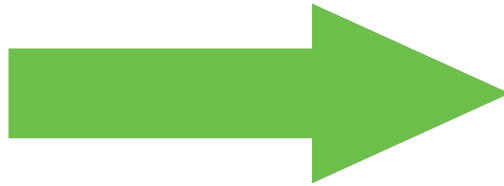

*Dominic Maxwell,*

Why pay upfront for your IT hardware when you can pay over  
**12 quarterly payments,**  
and keep your cash for when you need it most.

**How it works:-**

Simply take the capital purchase cost of the hardware you are interested in,  
and **divide by 12**

**Capital purchase**  
Upfront payment of  
£12,000 + VAT

**FlexIT**  
12 quarterly payments  
of £1,000 + VAT

**Then either: Return IT - Upgrade IT - Rent IT - Purchase IT**

FlexIT is available across all types of IT hardware
